

2008 Artist Foundation of San Antonio -- Project Narrative

Submitted by Roberto Prestigiacomo, Theater Maker-Performance

Forum Theatre Project 2009: Borders and Walls

Artist Statement

All theater is local and is about its community. As a theater maker of San Antonio, I want to create theater that reflects the topics of my community, a theater that facilitate a discourse about these topics with the objective of challenging the creative and collective imagination of our community in order to bring about constructive change.
