## Two Arts Non-Profits Collaborate in 2020

*Luminaria Continues the Artist Foundation of San Antonio's Mission of Arts Granting*

**SAN ANTONIO, TEXAS, January 15, 2020** – Luminaria and San Antonio's Artist Foundation are working together in 2020 to continue the Artist Foundation's 12-year legacy of awarding grants to individual artists in Bexar County. Luminaria will honor the Artist Foundation's mission of direct giving to Bexar County artists through the Luminaria Artist Foundation grant program. Luminaria will manage all aspects of the 2020 regranting of funds from the City of San Antonio's Department of Arts & Culture.

### FOR ARTISTS

The Luminaria Artist Foundation will grant \$10,000 awards for new, original work by individual artists in each of the following disciplines: literary arts, visual arts, and performing arts. The awards will recognize artistic achievement, dedication to an artistic discipline, and the potential for further professional development.

Artists can apply for award funds from January 15 through February 19, 2020. Information sessions on the application process and artist eligibility are scheduled for Sunday, January 26, at 12:00 PM and Wednesday, January 29, at 5:30 PM. Each session will meet on the first floor of Hemisfair's Schultze House at 615 E. Nueva St, San Antonio, Texas, 78205.

### SPONSOR AN ARTIST GRANT & GROW THE ARTS IN SAN ANTONIO

The Luminaria Artist Foundation is calling on individuals, businesses, and organizations to sponsor a 2020 Annual Artist Award grant. We have committed funds from the City of San Antonio's Department of Arts and Culture, and we want to grow our giving capacity to award even more artists annually. Every dollar the Luminaria Artist Foundation receives supports San Antonio and Bexar County artists, the cultural fabric of this city, and prudent administrative management.
